Re: Leonel Sanchez v. Children's Dental Group

Dear Ms. Lombardo:

As I have mentioned to you in the past, your firm is not the only firm that has requested records and digital imaging for your clients. We are working very diligently to coordinate and distribute voluminous records for approximately 80 patients. This is no small task. Your office's attempt to pressure document production, beyond reason, is not helpful. The fact that you have threatened, once again, to hold a news conference if you do not receive records by 5:00 p.m. today is once again evidence of your desire to utilize the press to misstate the facts and attempt to manipulate public opinion for your own selfish purposes. Point in fact, of the many, many law firms with which we are dealing on this matter, yours is the **only one** who has made unreasonable requests and self-serving threats. I realize that Mr. Napolin has only been an attorney for a short period of time, however, I would expect more from someone with your experience.

As always, I am available at any time to speak with you.

Sincerely,

JOHN C. KELLY
